

M.I.C. - Your Partner

*** a Technical Products Company**

*** Clever Cost Cutting Solutions**

industrial and leisure products global manufacturing

44 Years of Experience and Knowhow

Gemini Energy Systems

- * Full Line of Generators 1kW-7mW
 - * Gasoline
 - * Diesel
 - * Lpg
 - * Cng
 - * tractor
- * CHP systems 5 - 300 kW (el)
- * Invertor Generators 1 - 20 Kw
- * Welding Generators
- * Windmills 0, - 200 kW
- * LightTowers
- * Invertors Dc/Ac (12 Vdc -230Vac)
- * Ups Systems
- * Innovative Batteries
- * Hydrogen & Propane Fuel Cells

GTC building systems

Clever Building Systems

- * Office and Housing Containers
- * Storage Tents

GTC tools

- * Industrial Wiring
- * Heating
- * Cooling
- * Industrial Doors
- * Industrial Flooring
- * Flexy VNA Trucks
- * Palletising

Kjellberg Welding Eq;

- * Invertors 200 - 500 Amp
- * mma
- * Mig
- * Tig
- * Plasma cutting 1 - 100 mm
- * Welding Consumables
 - electrodes
 - wires
- * Gas Welding eq.
- * Welding Accessories
- * Oxy Hydrogen Generators

X-Tech

Universe-General Purpose E.R.P. Software

Tsiep-Telecom

- * Normal LandLine Telephone
- * Internet
- * Voip Telephone - Fax
- * Gprs - M2M solutions
- * Tracking
- * Satellite Internet - Telephone

Michigan Compressors

- * Piston Compressors 1-20 Hp EI
- * Screw Compressors 5-100 Hp EI,
- * Vane Compressors 3-100 Hp EI.
- * Aircar Petrol/Diesel Units 300 - 950l/min
- * Smartair Diesel Compressor 1 - 10M3/h
- * Oil-Free LongLife Series
- * Compressed Air eq.
- * Compressed Air Tools

EtapYachting our leisure company

- * Sailing Yachts
- * due to natural disaster , temporarily on hold., operations will continue shortly

Components

- * **Engines**
 - * gasoline 3 - 20hp
 - * diesel 3 - 200 hp
 - * gas engines 3 - 200 hp
- * **Electric Motors**
- * **Pumps**
 - * electric
 - * gasoline
 - * diesel
- * **Ranger**
 - * cold water high press.
 - * hot water high press
- * **Electrical Equipment**
 - * cable ,cee plugs, contactors,
 - * distr.boxes,solenoid valves,
 - * ventilators
- * **Electronic Equipment**
 - * Distance controls
 - * m2m
 - * Tracking devices
- * Batteries
- * Rubber
 - * hoses, vibrators

Since 1970 , we are dedicated in manufacturing and operate at the most optimal way, what is concerning electric and engine related products.

To offer our Customers , the best and most affordable solution , without compromise in Quality.

44 Years later, most of our equipment is even still working, many garages have Michigan Compressor from even that time still working.

Our Gemini Generators are without compromise Kjellberg Welding Machines are world known.

We even are supplying spare parts or service parts for most of our products who are still in service for many peoples life time.

Our Goal is to continue like in the past , and even better by using the many actual oportunities.

Special Thnks to our Customers and Suppliers for supporting us , this life time.

Mic, many world wellknown brand names,
120 000 products on stock, global presence
